Attention State Finance Officers in receipt of ARRA Funds

FROM: Gerry A. Oligmueller, State Budget Administrator

SUBJECT: January 7th 1512 Report Submission Date for ARRA Recipient State Agencies, Boards, and Commissions

On January 1, 2010, www.FederalReporting.gov will open for submission of the Excel spreadsheets containing the data required by Section 1512 of the American Reinvestment and Recovery Act (ARRA). The reporting period is cumulative from February 17 through December 31, 2009.

On Sunday, January 10, 2010 at 10:59 PM Central Standard Time, www.FederalReporting.gov will close and will no longer accept original report submissions.

Thousands of persons across the United States and its territories will be accessing www.FederalReporting.gov to submit these reports. **We strongly encourage all ARRA recipient state agencies, boards, and commissions to submit their so-called Section 1512 reports by no later than 10:59 PM Central Standard Time, Thursday, January 7th.** Your early response may avoid problems that cannot be resolved by 10:59 PM Central Standard Time on January 10, 2010.

ARRA recipient state agencies, boards, and commissions will also submit the same Excel spreadsheet(s) to the State Budget Division on StateReporting.Nebraska.gov. This submission to the State Budget Division will occur only after successful submission to www.FederalReporting.gov. Instructions for submitting your Section 1512 spreadsheet(s) to the State Budget Division are available on http://www.budget.state.ne.us/das_budget/stimulus/ARRAreportinstructions.pdf. The deadline for submitting spreadsheet(s) to StateReporting.Nebraska.gov will be 10:59 PM Central Standard Time on January 10th.

If any problems occur between January 1st and January 7th with the final preparation or submission of your Section 1512 report, please contact your assigned State Budget Division Budget Analyst to discuss action planned or taken to resolve the problem and keep the Budget Analyst informed of resolution of problems.

Thank you for your continued efforts to ensure the transparency and accountability for the Recovery Act funding.
